Honorable Samuel S. Stratton  
House of Representatives  
Washington, D.C.

Dear Mr. Stratton:

Thank you for your letter of 4 August 1959 concerning

[redacted] filed an application with us last March and came to Washington at our expense for interviews and examinations. He was quite seriously considered for our Junior Officer Training Program and for other junior professional positions which would take advantage of his academic and military training and experience. However, we are limited regarding the number of young men we can employ and [redacted] could not be accommodated within our requirements.

After we advised him that we could not offer him employment as initially contemplated, he wrote to ask if there might be some opportunity for him in the future. We advised him by letter dated 1 July 1959 that we did not anticipate any change in our employment situation but would advise him if something should develop for him.

Your letter on behalf of [redacted] is appreciated. We have recorded his qualifications and we shall be pleased to contact him in the future if our requirements should change.

Sincerely,

SIGNED
